Fred's education includes graduating from Clarion, Iowa High School and a B.S. from Drake University in 1959. Fred's support of Drake University's new insurance "concentration" program is another example of his dedication to the insurance industry and the community. Fred has been a big supporter of Drake University throughout his career.

Fred's commitment to the community is also shown in his years of service to his church and to the Girl Scouts, where he has served as a director, treasurer and chairman of the finance committee of Moingona Girl Scout Council.

His experiences and positions within the Employers Mutual organization are huge. Starting as an Underwriting Trainee in 1959, he worked his way to several Vice-Presidencies, Executive Vice-President and COO and Chairman of the Board of EMC and a Director and Vice Chairman of EMC National Life Company.
